

HOST YOUR NEXT LAB EVENT IN HENDERSON

MedCure's Henderson, NV Surgical Training Facility provides the ideal environment for medical education and research. Our beautiful facility makes it easy to host a lab event in a comfortable learning environment and our highly trained lab personnel are available for course set-up and lab assistance. We alleviate the hassle of organizing an off-site training course and allow you to focus on training.

ENJOY THESE SERVICES WHEN YOU HOST YOUR NEXT LAB EVENT IN HENDERSON:

- Immaculate and comfortable facilities with large windows and natural light
- Support staff to take care of every need
- Locker rooms
- Surgical instrumentation
- PPE and scrubs
- Conference room and lab equipped with audio and visual equipment
- C-Arms
- 1,336 sq ft lab space can accommodate up to 9 stations
- Catering and dining area

TRAVELING? Our Henderson Surgical Training Center is located 7.8 miles from McCarran International Airport. Enjoy nearby attractions such as the Las Vegas Strip when you visit us.
